### V. New business

A. Family Fun Book representative, Kellie Bartholomew spoke about the advantages of using the FF books as fundraisers for BYSA. The board made various suggestions of possible businesses that would be interested in participating. Kellie also suggested that since BYSA was not interested in requiring parents to purchase a book but rather ask them to sell them, we should have a team and individual winner. Various prizes were suggested and will be considered. Kellie volunteered to contribute to the prize.

B. GYSA registration deadlines were presented. BYSA will not have any select teams in the fall.

C. A letter to the former U13 Boys Select team parents was reviewed. The board decided to mail the letter rather than send an email. Board members were asked to edit the letter as they see fit individually and get it to Jeff no later than Friday June 27. The newly formed letter would be emailed out to the board for final approval by Jeff. Upon approval, the letter will be printed and mailed to parents.

### Adjournment

Jeff Parker adjourned the meeting at 8:25.
